

Wednesday 9 December

Troxy, London

Sponsor Opportunities

About

The LIVE Awards returns for its fifth edition on 9 December. After another sold-out success last year, the UK live music industry's ultimate end-of-year celebration promises to be just as spectacular in 2026.

The LIVE Awards celebrate outstanding achievements across the live music industry, from classical to grime and baroque to rock, while raising crucial funds to support LIVE's ongoing work.

The fifth edition of The LIVE Awards will take place at Troxy, a stunning Grade II-listed Art Deco venue in East London, welcoming over 600 guests.

Supported by the industry's biggest names, the awards honour those who have excelled and made a significant impact over the past year, with categories spanning booking agencies, promoters, venues, ticketing, festivals, crew, and more.

For sponsors, The LIVE Awards 2026 offers a prime opportunity to connect with the heart of the industry, with key players from the £6.7bn live music sector gathered for one of the most anticipated events of the year.
